## Purpose of a Ticket

The purpose of a Wood Badge Ticket is to help you realize your personal vision of your role in Scouting. Ideally, you will write your ticket around your primary job in Scouting.

### Parts of a Ticket

#### A Ticket Consists of Four Parts:

- A list of your personal values
- A description of your Scouting role or job
- A statement of your vision of success
- A mission composed of five significant goals that can be attained within 18 months.

## Diversity

At least one goal must address increasing diversity within the Boy Scouts of America.

All ticket items should be S M A R T. The preceding acronym may be used by you and your Troop Guide or Ticket Counselor to evaluate a good workable ticket item. Hopefully these questions will help you to evaluate the items you might select for your ticket.

### “SMART”(specific, measurable, attainable, relevant, and timely)

Specific - Describe this Ticket Goal in enough detail so that you and your ticket counselor know specifically what is to be done; how it is important, or how it will have an impact on the program. Is it challenging?

Measurable - Describe how this Ticket Goal is Measurable. How will you know when the goal has been accomplished?

Attainable - Describe how this Ticket Goal is Attainable. Can it be accomplished?

Relevant - Describe how this Ticket Goal is Relevant. How does it relate to your Scouting job?

Timely - Describe how this Ticket Goal is Timely. Can it be accomplished in a reasonable amount of time? “A Goal Without a Deadline is Only a Dream!”

**For more details on tickets see pages 135-171 of your Wood Badge Course Manual.**

## Wood Badge Trivia

**Yesterday's trivia answer:** Hmmm I wonder if I **had** to put Mr. Spock in a Wood Badge Patrol I would say based upon his wisdom and logic the best fit to me is the Owl Patrol - - although with those ears he could fit in well with the Fox Patrol too. Scribe Andy T.

NOW what do you think? Send me your thoughts on this matter:

## Inspirational Quotes

I believe that God put us in this jolly world to be happy and enjoy life. Happiness doesn't come from being rich, nor merely from being successful in your career, nor by self-indulgence. One step towards happiness is to make yourself healthy and strong while you are a boy, so that you can be useful and so can enjoy life when you are a man. **Lord Baden Powell**

Nature study will show you how full of beautiful and wonderful things God has made the world for you to enjoy. Be contented with what you have got and make the best of it. Look on the bright side of things instead of the gloomy one. **Lord Baden Powell**
